PROPOSAL FOR GENERAL LOGISTICS : FORWARDING, TRANSPORTATION & HAULAGE SERVICES AND WAREHOUSING & STORAGE.

We of Green Screen Logistics kindly writes to introduce o your prestige outfit.

Forwarding, Transportation & Haulage Services

GSL is a full-service logistics services provider headquartered in Bandar Sunway. We work with clients in Malaysia and abroad to support their domestic and international logistics needs via road, air, rail, and sea transport.

At GSL, we proudly stand head and shoulders above our competitors offering similar logistics services. Our unique combination of experience, service, and technology allows us to provide logistics services that offer a high degree of reliability while remaining cost-effective.

We provide general transportation and is as follows: heavy haulage, containerized cargo and bulk cargo from one destination to another. We have our own fleet of trucks that are in full operation and we also have a strategic alliance with third party trucks to ensure effective haulage services from the port terminals and other locations throughout the country.

Our haulage service is uniquely tailored to customers in a form of convenient, reliable and safe transportation which is also cost effective. We also aim to build our capacity to effectively manage the transportation of goods in a timely manner by increasing our fleet of reliable and robust trucks. These trucks have GSP monitoring equipment to assure the safety of clients' capital cargos/goods. The GPS forms the exact coordination of the location of the trucks and your cargos/goods.

For safety and reliability on trucks and cargos/goods, we provide daily reports on business. We do this twice daily (morning and evening) to ensure strict and effective supervision.

Our responsibility:

- 1) Provide trucks for transportation of goods as instructed and to any distribution sites across the country.
- 2) Provide roadworthy vehicles that are in very good condition and well maintained for the transportation of cargos/goods at very competitive rates to designated locations in country.
- 3) The trucks are fully insured and taxed primarily locally.
- 4) Commence loading of the trucks in warehouse or port or immediately we receive instructions or loading permits from the clearing agents of the contractor.
- 5) GSL should ensure that the trucks have container locks well fixed on the trailer.
- 6) The containers should have container belt well fixed on the container during transit.
- 7) Transport all containers to destinations or terminals as indicated on the waybill.
- 8) GSL can haul minimum of _____ () containers to their various terminals and warehouses across the country on weekly basis without stress.
- 9) GSL should ensure that the goods transported are in good and safe condition.

Warehousing & Storage

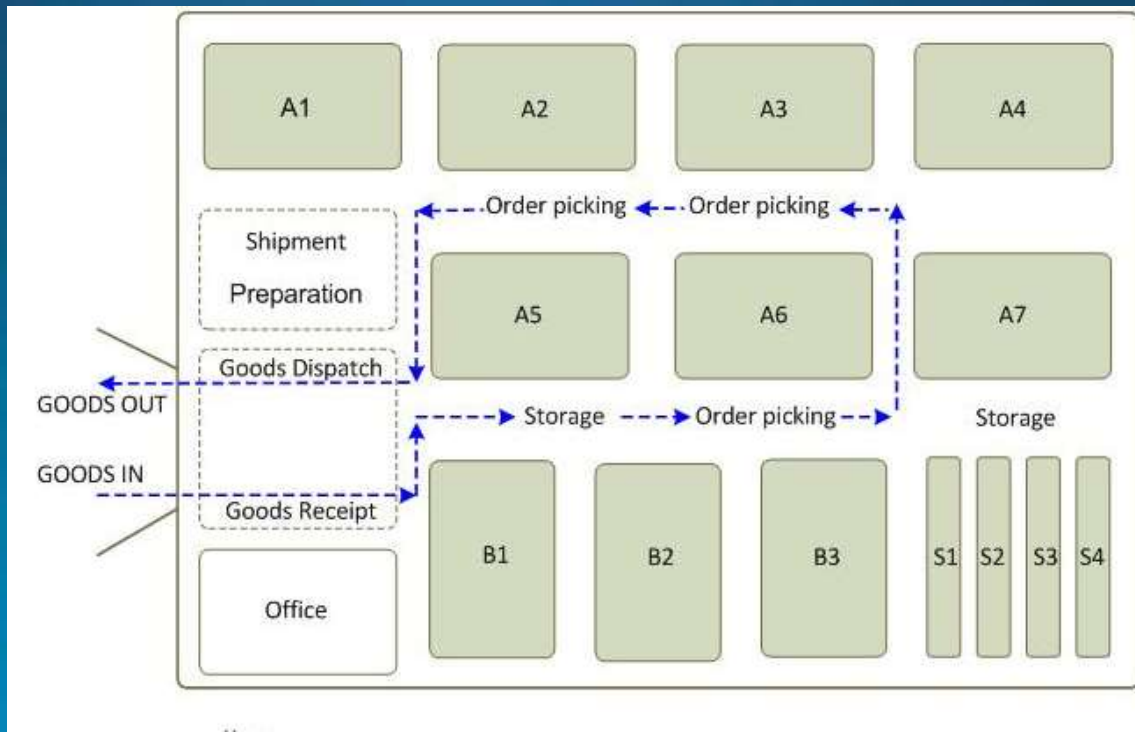

GSL will have fully equipped warehouses in Penang, Johor and Singapore with more than 10000sqfeet to accommodate your specific needs.

Services provided:

- 1) Storage labeling
- 2) Shrink wrapping
- 3) Segregating
- 4) Re-packing
- 5) Palletizing
- 6) Packaging in boxes
- 7) Contents inspection
- 8) Container de/stuffing
- 9) Bubble wrapping

Space utilization and handling

We comply the warehouse needs as below:

Storage : Pallets Racks, Industrial Shelving, Cantilever Racks, Flow Racks and other racks.

Lift Equipment : Forklifts, Pallet Jacks, Hand Trucks, Service Carts and others.

Dock Equipment : Dock Plates & Dock Boards, Edge-Of-Dock Levelers and others.

Facility Accessories: Rolling Ladders and others

Bin & Containers and Packing Equipment.

I encourage you to review this proposal thoroughly, and provide any feedback of the proposal.

On behalf of the entire team at GSL, I thank you for the opportunity to earn your business. We look forward to supporting your logistics needs for many years to come!
